

Goldfield Ranch Homeowners Association
Board of Directors
Special Meeting
4/2/2010

On April 2, 2010, a special meeting was held at the home of Geno and Robyn Mei. The meeting was called to order by Janet Heekin at 2:10 p.m.

Present at this meeting were Janet Heekin, Ed Zukowski, Karl Mann, Greg Calvin and Geno Mei.

A discussion was held regarding who the GRHA Board would support for the GPOA Board. Ballots have been received from GPOA and must be returned on or before April 16th.

After much discussion, the Board decided that it could not support only one person, and that there were two people deserving of our support. The GRHA Board decided to support both Art Reichsfeld and Marty White for two of the director positions on the GPOA Board. A letter in support of these two candidates is to be sent out to all property owners within the next 24 hours.

Additionally, there was further discussion regarding sending out a letter as to why voters should not support Doug Reiner. Ed was encouraged to talk to Tom Parsons to see if a letter could be written soon that would rebut some of the claims in Doug's letter and to let people know why Doug is not the best person for a GPOA Board decision. Board members unanimously wanted to see that Art retain his seat on the Board and that Marty be voted onto the GPOA Board.

The meeting was adjourned at 3:00 p.m.
