

Goldfield Ranch Homeowners Association

March 9, 2011

Friends and Neighbors,

You have just elected a new GRHA board and we met for the first time today. As you are already aware, the GPOA is now electing their new board. This is a very important event since GPOA and its board are responsible for our Goldfield Ranch road maintenance. You received an earlier letter from GRHA in which we endorsed three candidates. Since that time Virgil Dutton has requested that we not include his name as a write-in candidate. We feel that it is a necessity to elect an experienced and capable board. We therefore strongly urge you to vote for Bob Waldo, Marty White, and Tom Zollars. These gentlemen represent our best candidates to serve on the GPOA board and best serve the interests of Goldfield Ranch residents.

GRHA Board Members

President David Dudgeon

Vice Pres. Geno Mei

Sec. Wendy Zollars
